Education

P.S.R Engineering College
B.E in Computer Science
Grad 2026 | CGPA : 8.15

St.Paul's Matric.Hr.Sec
HSC
2022 | Percentage : 83.6

St.Paul's Matric.Hr.Sec
SSLC
2020 | Percentage : 84.8

Skills

- HTML • CSS • PhP
- Recat js • Express js
- Node js • MySQL
- MongoDB • Java
- Photoshop Fundamentals

Interests

- Web Development
- MERN Stack Development

Certifications

- Learnathon - GUVI

Language

- English • Tamil

Achievements

- WEB DEV BOOTCAMP I completed a web development bootcamp at PSRR Engineering College, earning a Student Trainer Award

Profile

Passionate and motivated Computer Science student and Software Developer with a strong enthusiasm for designing

Internships

Code Bind Technologies | Front-End Web Developer

- During this internship, I specialized in creating unique and creative design implementations, showcasing my strong command of CSS frameworks.

Prodigy Infotech | Front-End Web Developer

- In this internship, I gained practical experience in web development by working on real-time applications. This hands-on approach allowed me to deepen my understanding of web technologies and their real-world applications.

Projects

Students Placement Registration and Job Application

- Tech Stack: MERN (MongoDB, Express.js, React.js, Node.js) with JWT authentication.
- Key Features: Job postings, student applications, recruiter interactions, and resume uploads with real-time tracking.
- Skills Gained: Full-stack development, RESTful APIs, and database management.

Web - Based Shopping - E-commerce Website

- Tech Stack: MERN (MongoDB, Express.js, React.js, Node.js).
- Key Features: Product listings, shopping cart, order management, and secure checkout.
- Skills Gained: Full-stack development, API integration, and database management.

Travel Management System

- Tech Stack: HTML, CSS, JavaScript, PHP, MySQL.
- Key Features: Personalized itineraries, hotel & cab bookings, and location-based recommendations.
- Skills Gained: Backend development with PHP & MySQL, front-end design, and dynamic data handling.
